Requirements

- Watertightness
- Segmented construction
- Efficient logistics service

Brief description

Hotel 27, right in the heart of Amsterdam, is an exceptional suite hotel. With 5 stars and suites ranging in size from 60 m² to 16 m², it leaves nothing to be desired. The hotelier Eric Toren, operator of multiple hotels and two-time winner of „Hotelier of the year“, hasn't overlooked a single detail. Thus, even the bathrooms have become absolute highlights. All bathrooms are furnished with a steam bath and a bathtub.
