Short description

## Hotel Sport-Wellnesshotel Bichlhof

Located in a quiet and quaint location on the sunniest side of Kitzbühel, at the foot of the Bichalm, the family-run 4-star premium hotel is the perfect mixture out of traditional flair and modern ambience.

The world-famous mountain-metropolis Kitzbühel offers a sensational programme of events the entire year round, ranging from culinary, cultural as well as sporting events.

Used Products

## Plug & Play Systems

Prefabricated modules, floors, walls and ceiling

## Particular requirements

A fast and made-to-measure prefabrication, in other words, short building phase, security of the processing in terms of water tightness. Short drying times. The building work took place while the hotel was still open and operating.
