Quality systems from wedi

When designing their own bathroom, people often get overwhelmed with choices they need to make. How should the shower look? What bathroom furniture do I need? How do I create storage without compromising the floor space? Above all: how can I bring my new bathroom to life as safely and quickly as possible?

This brochure is made to help you make such decisions. You will find a selection of bathroom ideas through the following pages, all with the use of wedi’s modular systems for a simple and quick installation with durability that offers peace of mind.

The secret under the tiles is the wedi building board which forms the basis of numerous wedi system solutions. It is waterproof, extremely robust, protects against mould and fungus and suitable for individual tiling or plastering; certified by numerous institutes and guarantees system safety for the whole floor to wall system: signed and sealed by wedi.
Which bathroom would suit me?

Inspiration: Single bathroom

Living alone gives the freedom of deciding your bathroom’s character on your own. The combination of a walk-in shower with practical corner seat and tailor-made clever storage solutions make this compact bathroom shine with personality.
wedi system highlights

1. Toilet wall installation with wedi I-Board. The pre-fabricated cladding for WC front walls can be easily adjusted to any requirements, saving a lot of time during installation.

2. Seating, e.g. with the wedi Sanoasa corner seat. A comfortable seating is possible even in more compact showers.

3. Shower solution with corner drain, e.g. with Fundo Primo. The flush-to-floor shower element makes the single bathroom a one-of-a-kind thanks to the corner drain.

What is possible with wedi

Comfort bathroom in record time

A comfort bathroom like you see in a glossy magazine: this was the owners’ request of a bathroom situated in the loft of an old building. Thanks to the modular system construction, the room space was optimally used with a flush-to-floor wedi Fundo shower, a large washbasin, seating and shelving – all with the use of wedi building boards. The coordinated construction components allow for a particularly safe and time-saving installation. Combined with appropriate accessories, the bathroom today has an entirely new look.
